Finantsinspektsioon publishes consolidated data on fund managers, investment funds and investment firms subject to supervision once a quarter covering the consolidated balance sheet and profit report.

Finantsinspektsioon also publishes brief quarterly reviews of the state of and developments in the fund management, investment firm, and investment and pension fund sectors.

More detail on trends and developments in the fund managers, investment funds and investment firms operating in the market is published twice a year in the review of the Estonian financial services market.

The reviews are based on data submitted by market participants.
