The European Securities and Markets Authority (ESMA) is asking payment institutions, investment firms, e-money institutions, and other companies licensed by Finantsinspektsioon for information on whether they plan to start providing regulated services under Article 60 of the regulation of the European Parliament and of the Council on crypto-assets. ESMA is asking companies to complete the [survey](#) by 26 July at the latest. The survey takes about 15-30 minutes to complete.
